

Webster Landfill Open on Saturdays

News Release Date
04-16-2024

Webster landfill will now be open on Saturday mornings from 8am-noon.

Starting this week, the Webster landfill will extend its operating hours to include Saturday mornings from 8 am to noon.

Monday through Friday residents may pick up a key at City Hall during regular business hours, 8 am to 3:30 pm. Please have your ID ready when requesting a key. All keys must be returned by the end of the day and cannot be kept overnight. Due to limited availability, we kindly request that you have your yard waste prepared for disposal before obtaining a key.

Please note that only brush and grass items may be taken to the Webster landfill. The Department of Natural Resources advises us to compost all materials, which is offered to the public free of charge. Rocks, dirt, and concrete must be taken to the landfill on Hwy 116.

A friendly reminder: both landfills are exclusively for City of Omro residents.
