## **PROPOSAL REQUIREMENT AND CONDITIONS 2015 Road Work**

The Bidder, signing and submitting this Proposal, agrees and declares as a condition thereof, to be bound by the following conditions and requirements.

The Bidder declares that he has carefully examined the site of, and the Proposal, Plans, Specifications and Contract forms for the work contemplated, and it is assumed that the Bidder has investigated and is satisfied as to the conditions to be encountered, as to the character, quality, and quantities of work to be performed and materials to be furnished, and as to the requirements of the Specifications, Special Provisions and Contract. It is mutually agreed that submission of a Proposal shall be considered conclusive evidence that the Bidder has made such examination.

The bidder submits herewith a bid bond, equal to 5% of total bid proposal, certified, or cashiers check payable to the party as designated in the advertisement inviting proposals, to be retained by and become property of the owner of the work on the event the undersigned shall fail to execute the contract and contract bond.

The Bidder declares that he understands that the estimate of quantities in the attached schedule of prices is approximate only and that the attached quantities may be greater or less in accordance with the Specifications.

The Bidder agrees to perform the said Work, for and in consideration of the payment of the amount becoming due on account of Work performed, according to the unit prices bid in the following schedule of prices, and to accept such amounts in full payment for said Work. The Bidder declares that if he is awarded the Contract, he will execute the contract agreement and begin and complete the Work within the time named herein.

### **Project Scheduling**

Work may begin after contracts are executed.

All work shall be completed on or before **August 31, 2015**

The contractor shall proceed in such a manner as to interfere with traffic as little as possible. Access to all properties shall be maintained at all times unless previously stated. All traffic control shall conform to Manual on Uniformed Traffic control devices. No exceptions. Schedule for any street closures shall be coordinated thru Public Works Director.
