Swimming Lesson Rules and Regulations

1. There are three sessions of swimming lessons each lasting three weeks. Lessons run Monday through Thursday for forty (40) minutes duration. There are no lessons on July 4th.
2. Students may sign up for only one session at a time, and must finish a session before enrolling in another session.
3. Swim lessons are free for any child that presents proof of enrollment in the Omro School District. There is no limit to the number of free sessions. You may have all three sessions paid for by the School District. See the FAQ's below for more information.
4. Class Capacity limits will be strictly followed; no exceptions.
5. Participant must be present on the first day of lessons. If the child/participant is absent he/she will automatically be dropped from the class without a refund or exchange for another session.
6. There will be no waiting list for swim lessons. If a child needs to attend a class that is already full he/she and guardian can check after the first day of the session to see if a spot opens up.
7. Classes may be cut or combined at any time due to low attendance at the manager's discretion.
8. No refunds will be cancelled within 48 hours of the start of a class.
9. Please call to notify of cancelling a session. Don't just not show up, even if the lesson was paid for by the Omro School District. This takes the place of another student who may want that particular class session and time.
10. Parents are allowed on the deck during swim lessons but should be respectful of teachers. Children may not be in the water outside of their lesson time or without an instructor.
11. Children not fully potty trained are required to wear swim diapers.
12. The Omro Family Aquatic Center can provide private swim lessons for a fee. Contact the Omro Family Aquatic Center at (920) 685-0781 for further details.
13. Swim lessons may be cancelled due to inclement weather. Call the Omro Family Aquatic Center or check Facebook.
